around the headquarters of old General Price until the conscript officers drove them back to the Yankee lines. I remember also that he finally wound up very bad-ly, but exactly how I do not recall. My impression is that he announced himself in various places, Richmond among others, as an authorized agent to solicit subscriptions for Price's army; that he collected large sums, and of course appropriated them to that part of the army which he self constituted. Old Price heard of it and published a warning against him and

Since Mr. Griggs has withdrawn from the field I am relieved of all obligations to the party on account of my participation in its connection, and I am left free to say that I am tired of Bossism within the State and county, and with that I am tired of Bossism within the State and county, and with this opportunity to say to my friends and the people of Henry that hereafter I shall east my lot with the Democratic party and shall support Herbert G. Peters for the House of Delegates from this county. Very respectfully, W. W. MORRIS.

Commenting upon the above eard, the SANFORD'S RADICAL CURE. Martinsville Herald says:

" Since 1879 Dr. Morris has been a Readjuster, and one of the strongest, and emphatically a most influential follower of Mahone in this county. This purpose to support Mr. Peters means more than his individual vote for that gentleman. It means that his large influence and strong personal following will go with him, and both will leave a wide breach in the Coalition ranks. When we say that the anti-Mahone people of this county dreaded the nomination of Dr. Morris by the August Convention, we but repeat a truth which everybody in this county knows already. His present intention, therefore, will be cause of rejoicing in the camp of the Peters forces."

WHAT IT DID FOR AN OLD LADY.

COSHOCTON STATION, N. Y., Dec. 28, 1878.
Gentlemen.—A number of people had been using your Bitters here, and with marked effect. A lady of over seventy years had been sick for the past ten years; she had not been able to be around. Six months ago she was helpless. Her old remedies or physicians being of no avail, I sent forty-five miles and got a bottle of Hop Butters. It had such an effect on ner that she was able to dress herself and walk about the house. After taking two bottles more she was able to take care of her own room and walk dout to her neighbor's, and has improved all the time since. My wife and children also have derived great beacht from their nee.

ANNA MARIA RRIDER, WIFE OF TOBIAS & CHAMBERSEERG, July 25, 1875.

This is to let the people know that I, Anna Maria Krider, wife of Tebias Krider, am now past seventy-four years of age. My health has been very bad for many years past. I was troubled with weakness, bad cough, syspepsia, great debility, and constipation of the bowels. I was so miserable I could cat nothing. I heard of Hop Bitters and was resolved to try them. I have only used three bettes, and I feel wonderful good, well, and strong again. My bowels are rezular, my appetite good, and cough gone. I think it my duty to let the people know how bad I was and what the medicine has done for me, so they can cure themselves with it. ANNA MARIA RRIDER, WIFE OF TOBIAS K.

My wife was troubled for years with blotches, moth patches, freckies, and pimples on her face, which nearly annoyed the life out of her, she spent many dollars on the thousand infairble (?) cures, with nothing but injurious effects. A lady friend, of Syracuse, N. Y. who had had similar experience and had been cured with Hop Bitters, induced her to try it. One bottle has made her face as smooth, fair, and soft as a child's, and given her such health that it seems almost a miragiven her such health that it seems almost a mir cie.
